

## CLAY SHOOT FOR CARES

### FOR A GREAT CAUSE:

CARES Foundation is a 501(c)3, nonprofit organization, [Tax Exempt #22-3755684] that leads in the effort to improve the lives of Congenital Adrenal Hyperplasia (CAH) patients, and seeks to advance quality health care through support, advocacy, education, and research. We represent affected individuals, families, and health care professionals in all 50 states and in more than 70 nations.

We are the only U.S. organization dedicated solely to the CAH community.

Your contribution will help us continue to offer the following programs and services to CAH and other adrenal insufficiency patients as well as the medical community:

- Designation of Comprehensive Care Centers for CAH (Centers of Excellence)
- Research grants and participant recruiting for qualifying researchers studying treatments and searching for a cure
- Physician Referral service
- Ask the Expert service
- Educational materials and programs featuring the world's leading CAH experts
- Support for affected individuals and their families, including one-on-one support, specialized groups and an online community
- Advocacy for life-saving EMS response for adrenal insufficiency and other important issues facing the CAH community
- Newsletters featuring the most up-to-date news about CAH
- Monitoring of Newborn Screening in the U.S. and support for development internationally
