# CAH AWARENESS MONTH

## 2024 SOCIAL MEDIA CAMPAIGN

This June we are excited to take part in **CAH AWARENESS MONTH!** Join us as we learn more about congenital adrenal hyperplasia, some of the crucial stories in our community, as well as important tips & advice from CARES.

If you would like to share your CAH journey through CARES, we ask that you please submit a written story of any length, as well as any photo/photos that you would want included with your submission.

If you have any questions, or would like to learn more about how you can share your CAH journey please do not hesitate to reach out! All questions and submissions can be directed to: [john@caresfoundation.org](mailto:john@caresfoundation.org).

### YOUR STORY

READ SOME OF THE INCREDIBLE, AND COURAGEOUS STORIES FROM MEMBERS IN OUR COMMUNITY.

### CAH TRIVIA

LEARN MORE ABOUT IMPORTANT FACTS SURROUNDING CAH THROUGH OUR SOCIAL MEDIA POSTS.

### WHY WE DO WHAT WE DO

FIND OUT MORE ABOUT CARES FOUNDATION'S MISSION TO HELP IMPROVE THE LIVES OF THOSE LIVING WITH CAH.

### HEAR PATIENTS & PARENTS

CAH PULSE

CHECK OUT OUR PODCAST, CAH PULSE, AS WE HIGHLIGHT OUR MOST RECENT EPISODES THROUGHOUT THE MONTH!

### ONLINE ACTIVITIES

STAY UP TO DATE WITH CARES' SOCIAL MEDIA THIS JUNE FOR DIFFERENT CHANCES TO WIN A CARES T-SHIRT THROUGH ONLINE ACTIVITIES!

## INTERESTED IN MAKING A DONATION TOWARDS CARES?

Donations towards our CAH AWARENESS MONTH Campaign can be made on the CARES website, or by scanning the QR code in this post.

**[MAKE A DONATION TOWARDS CARES FOUNDATION](#)**

*We truly appreciate your support.*

*None of what we do is possible without our community!*

## Patient-Focused Drug Development Meeting

---

### What is Patient-Focused Drug Development?

Patient-Focused Drug Development (PFDD) is a systematic approach to help ensure that patients' experiences, perspectives, needs, and priorities are captured and meaningfully incorporated into drug development and evaluation.

### Audience

The key participants in PFDD meetings are patients, patient representatives, patient advocates, caregivers, loved ones, and anyone with a lived experience with the disease or condition. While patients and caregivers share their perspectives, key stakeholders are in listening mode as part of the audience. These stakeholders may include:

- FDA and other regulatory/federal agencies
- Medical product developers
- Academic researchers
- Clinicians and healthcare professionals

### How can I participate?

To learn more about how you can participate in this virtual meeting, please contact [pfdd@caresfoundation.org](mailto:pfdd@caresfoundation.org).

***This meeting may be the only opportunity for the CAH community to share their journeys with the FDA!***

For more information, please visit: <https://caresfoundation.org/externally-led-patient-focused-drug-development-el-pfdd/> or you may also use the links below.

## 2024 Patient Advisory Summit

### New Brunswick, NJ

CARES is seeking participants for an advisory board to be held concurrent with the 2024 CAH Patient Education Conference in New Brunswick, NJ. The purpose of the advisory board is for representatives from the pharmaceutical industry to listen to patient/caregiver insights on living with and managing CAH. This group is eager to learn more about CAH from this community to inform their product development activities. All pharmaceutical companies involved, have CAH treatments/therapies in development.

**Specifically, we are looking for participants who meet the following criteria:**

1. Parents/Caregivers of specific age groups
2. Adults
3. Confirmed diagnosis of Classic CAH/caretaker for an individual with Classic CAH (patient can be younger than 18)
4. Not currently participating in a CAH clinical trial
5. Must physically attend all days of the CAH Patient Journey Advisory Summit and Patient Education Conference
6. U.S. resident
7. Willing to share experience of living with Classic CAH/caring for someone living with Classic CAH
8. A current member of the CARES community (free to join: [www.caresfoundation.org/join-the-cares-community](http://www.caresfoundation.org/join-the-cares-community))

*If you are interested in participating in this event, please contact [dina@caresfoundation.org](mailto:dina@caresfoundation.org).*

## September 21 & 22, 2024

### 2024 Patient Education Conference

#### Robert Wood Johnson University Hospital, New Brunswick, NJ

Mark your calendars for the 2024 Patient Education Conference presented by CARES Foundation & Rutgers Robert Wood Johnson Medical School/Rutgers Child Health Institute and take advantage of this incredible opportunity to connect with Medical Professionals, Industry Professionals, and other CAH Families.

**If you would like to learn more, and/or register to attend, please use the link provided below!**

**[LINK TO REGISTER COMING SOON](#)**

**Interested in learning more about specific topics?**

Email [odaly@caresfoundation.org](mailto:odaly@caresfoundation.org) to let us know what you would like to see covered at this year's conference!

## **LIMITED SCHOLARSHIPS AVAILABLE**

CARES Foundation is able to provide scholarship(s) to these events [2024 Patient Advisory Summit; 2024 Patient Education Conference] through the completion of a scholarship application. If you are interested in applying for this scholarship, please reach out to [john@caresfoundation.org](mailto:john@caresfoundation.org) to receive a scholarship application.

Preventing Adrenal Crisis Events

# PACE App

Have you downloaded it yet?

The Preventing Adrenal Crisis Events (PACE) app is available to patients, parents/caregivers, and medical professionals and is designed to provide readily accessible information and instructions for effectively managing AI (Adrenal Insufficiency). The app will include stress dosing and intramuscular injection techniques as well as other helpful tools.

Spanish version now available

Sponsored by:

(Android App Store Only)

(Apple App Store Only)

## CAH Pulse - NEW EPISODE Check out our latest episode!

### Episode 7: Marc - Living Life to it's Fullest

“Nothing holds me back”

Join Dina and Stephanie as they speak with Marc and hear his inspiring story of hope and relief in the face of a life-long incurable condition. Marc's calm and poise will leave you embracing his empowering direction for adults, parents and kids growing up with salt wasting CAH.

Hear more about the journey of 2 brothers learning how to advocate for themselves, take their own medicine, play sports (even in the heat of the summer) and live life to it's fullest without pretense or worry.

This episode, as well as all of our episodes for the CAH Pulse Podcast are available on all platforms! Please visit <https://cahpulse.podbean.com/>.

**If you would like to have your story featured on a future episode, please reach out to [dina@caresfoundation.org](mailto:dina@caresfoundation.org).**

# CARES Foundation Endowment Fund

**Leave a meaningful gift that will have an enduring impact on the CAH community!**

We have created an endowment fund account at the Community Foundation of New Jersey to ensure the longevity of our organization. Please consider giving to it.

A bequest can be arranged in a variety of ways. It can take the form of cash, property, or a part of your estate's remaining value. Including the CARES Foundation Congenital Adrenal Hyperplasia Endowment Fund into your Will could be a beneficial component of your plans, lowering your taxable estate while achieving your philanthropic objectives.

If you would like to name us in your Will or IRA, please add the following as a beneficiary:

*Community Foundation of New Jersey  
c/o CARES Foundation Congenital  
Adrenal Hyperplasia Fund  
EIN 22-2281783*

### Ways to Contribute

- Name us in your Will or estate
- Real Estate
- Shares of appreciated stock
- IRA RMDs
- Cash
- Interest or Shares of Operating Business

For more information regarding this process or specific donations, please contact:

Phone: 973.267.5533 Toll-Free: 800.659.5533 Fax: 973.267.2903

**Thank you for considering CARES Foundation!**

# Make your voice heard through the CAHtalog Registry!

CAHtalog is a community-driven research opportunity focused on classic Congenital Adrenal Hyperplasia (CAH). Our goal is to enhance our understanding of daily life with CAH, as well as identify gaps in care and treatment. By participating and sharing your unique patient journey through sharing medical records without any personal details (de-identified) and taking optional paid surveys, you can play a crucial role in helping improve the lives of the CAH community. We take privacy seriously.

[Learn More](#)

**Study Eligibility:** The CAHtalog registry is open to adults and caregivers on behalf of their children living with classic CAH and who receive medical care in the US. Caregivers can sign up on behalf of their children.

## What Is The CAHtalog Registry?

CARES Foundation, Neurocrine Biosciences and PicnicHealth have partnered to establish the CAHtalog™ registry. CAHtalog is a patient registry, or collection of clinical patient data, for patients living with classic CAH. Its mission is to advance CAH clinical research and in turn improve the quality of life for those living with classic CAH. Neurocrine and CARES Foundation are committed to sharing the de-identified data from CAHtalog with qualified researchers because it's in the patient community's best interest to advance CAH research as quickly as possible across the broader research community.

"The more CAH patients that register, the more data will be available for research. CAH has come a long way from my birth and that is all due to research and patients being willing to share their CAH journey."

Lesley

CAHtalog Registry Participant

## How It Works

### STEP 1

#### Tell Us About Your Care.

Just answer a few questions about yourself and the names of your primary care and endocrine doctors. With your consent, PicnicHealth will do all the hard work of collecting medical records from your clinicians on your behalf—including paper-based records, imaging, and doctors' notes.

### STEP 2

#### Your Records At Your Fingertips.

PicnicHealth will organize and digitize all of your records from all healthcare systems you've visited in the last 5+ years in one secure, easy-to-use platform at no cost. The PicnicHealth team will continue to update your medical records for you on a regular basis. You can share your records securely with your trusted loved ones or other healthcare providers in real-time. This may especially help if you're facing a medical emergency in an out-of-area hospital that doesn't already have access to your medical records.

### STEP 3

#### Earn Up To \$150 A Year Completing Short Surveys At Home

When you join the registry, you will be invited to complete paid health and well-being surveys from your PicnicHealth account. These optional surveys help researchers understand your daily experiences and capture insights that may not be available in your medical records.

### STEP 4

#### Help Researchers Further Their Understanding Of Classic CAH

We employ our proprietary technology to extract only the information valuable to researchers and replace personally identifiable information with randomized ID numbers. Your data is then assigned a unique code and combined with others to create a comprehensive data report, accessible to CAHtalog researchers via a secure portal.

# CAH Awareness Month

Aug 11-15  
Sickle Cell + Blood Disorders + Bone Marrow Transplant

EXPERIENCE MORE AT CAMP!  
2024

Campers with congenital adrenal hyperplasia generally qualify for the Rare Disease camp session held between July 20-25, 2024. They are also likely eligible for family camp weekends, as well as the Ranger or Trailblazer programs. For a full list of camp dates, please visit: <https://flyinghorsefarms.org/come-to-camp/camp-schedule/>

### CAMP AT A GLANCE

- \$0 Cost to campers & families
- 200+ acres to explore
- An average of 90+ volunteers at each session
- 24/7 onsite medical care
- Located 40 minutes north of Columbus, Ohio and 90 minutes southwest of Cleveland, Ohio right off I-71

### FIVE FAST & FUN REASONS TO EMBRACE CAMP

1. **WellNest Wellness:** For campers to experience all camp has to offer, their health and safety needs must be met as a medical specialty camp, Flying Horse Farms prioritizes safety first.
2. **Challenge By Choice:** Campers are given the opportunity to embrace new experiences like exploring the ropes course, taking aim at archery, and diving in with friends at the pool.
3. **Sense of Belonging:** Campers build lasting bonds with peers who understand and see them beyond their diagnosis and form lifelong friendships.
4. **Self Advocacy:** Campers learn to navigate their medical conditions, confidently gain skills, and find new independence that is carried beyond a camp session.
5. **More Smiles:** Camp is a place where more smiles happen because kids get to be kids.

Flying Horse Farms is a medical specialty camp that provides healing, transformative experiences for children with serious illnesses and their families - free of charge. Campers range from 7-21 and have diagnoses including cancer, heart conditions, rheumatologic diagnoses, blood disorders, lung conditions, gastrointestinal disorders, craniofacial diagnoses, rare diagnoses, spinal cord diagnoses, and mental health conditions.

## ASK THE EXPERT

**Dr. Karen Lin Su**

CARES Medical Director

Do you need expert medical advice before your next appointment?
